Re: APPLICATION FOR PUBLIC HEARING

Hosston B Zone, Reservoir A, and Hosston C Zone, Reservoir  
A, BEAR CREEK FIELD, Bienville Parish, Louisiana.

Dear Sir:

EL PASO PRODUCTION COMPANY ("Applicant") hereby respectfully applies for a public hearing to consider evidence relative to the issuance of Orders pertaining to the following matters relating to the Hosston B Zone, Reservoir A, and to the Hosston C Zone, Reservoir A, in the Bear Creek Field, Bienville Parish, Louisiana:

1. To permit Applicant to drill, designate and utilize two (2) additional alternate unit wells for HOSS B RA SUF and for HOSS C RA SUK at the locations shown on the attached plats.
2. To approve exceptions to the spacing provisions of Office of Conservation Order No. 78-Q, effective February 18, 1971 (applicable to the Hosston B Zone, Reservoir A), and Office of Conservation Order No. 78-Y, effective September 11, 1980 (applicable to the Hosston C Zone, Reservoir A), for the location of either of the proposed wells, as shown on the attached plats, which does not comply with the spacing provisions contained in such Orders.
3. To find that designation and use of such wells as additional alternate unit wells for HOSS B RA SUF and for HOSS C RA SUK is necessary to efficiently and economically drain a portion of the Hosston B Zone, Reservoir A, and the Hosston C Zone, Reservoir A, underlying these units which cannot be efficiently and economically drained by any existing well within these units.
4. To permit the Operator of HOSS C RA SUK to produce the unit allowable from either the unit well, any alternate unit well, or from any combination of such wells, at the option of the Operator.
5. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hosston B Zone, Reservoir A, in the Bear Creek Field, Bienville Parish, Louisiana, was initially defined in Office of Conservation Order No. 78-Q, effective February 18, 1971, and was further defined in Office of Conservation Order No. 78-Q-8, effective July 6, 1982.
